Message

I am happy to learn that Shapla Neer is going to celebrate its 50th anniversary in 2022. On this occasion, I would like to congratulate Shapla Neer for its success in dedicating its fifty years for community development. It gives me pleasure to know that it has also been working in some South Asian Countries including in Nepal.

I hope it will continue its efforts to support the communities in various parts of the world that are truly in need and help them empower to live their lives comfortably.

I wish Shapla Neer all success in the days to come.
